

REPERTORIUM FAMILIAE CAESARIS

INTRODUCTION

This *Repertorium* has four main aims:

- (1) to present a complete list of members of the Familia Caesaris numbered consecutively in chronologically arranged sections
- (2) to give for each member full references and texts of the primary epigraphic, literary and other sources
- (3) to give for each source precise dating details, where these are available, and in coded summary form, an analysis of the main categories of information it contains, under the headings of family relationships and other personal, career and epigraphic details
- (4) to add, where necessary, explanatory textual comments, references to modern literature and discussion of problematic cases.

Members of the Familia Caesaris are defined as:

- (a) freedmen and slaves of the emperor
- (b) freedmen and slaves of wives and other relatives of the emperor
- (c) freedmen and slaves of (a) and (b) above.

The names of those in Categories (a) and (b) are printed in **bold** at the heading of their respective entries, those in Category (c) in plain type. The term 'freedmen' is taken to include 'freedwomen'.

The *Repertorium* is in two parts: (A) Freedmen (B) Slaves.

Part A is divided into eleven sections as follows:

- I *Iulii Augusti liberti* - freedmen of Augustus, Tiberius and Gaius
- II *Claudii Augusti liberti* - freedmen of Claudius and Nero

-
- III *Sulpicii Augusti liberti* - freedmen of Galba (including those of Otho and Vitellius)
 - IV *Flavii Augusti liberti* - freedmen of Vespasian, Titus and Domitian
 - V *Cocceii Augusti liberti* - freedmen of Nerva
 - VI *Ulpia Augusti liberti* - freedmen of Trajan
 - VII *Aelii Augusti liberti* - freedmen of Hadrian and Antoninus Pius
 - VIII *Aurelii Augusti liberti* - freedmen of M. Aurelius, Commodus, and of all the Severan emperors, including the *Septimii Augusti liberti* and all *Augustorum liberti* not included elsewhere
 - IX *Augusti liberti* without *nomen* who are not included in Sections I–VIII above
 - X *Augusti liberti* with non-imperial *nomina*
 - XI *Augustae liberti* - freedmen of empresses and relatives of the emperor, in chronological order of patron

Part B is divided into five broad sections as follows:

- XII *Caesaris servi* (A) - Imperial slaves of the period Augustus to Nero
 - XIII *Caesaris servi* (B) - Imperial slaves of the period Galba to Antoninus Pius
 - XIV *Caesaris servi* (C)- Imperial slaves of the period M.Aurelius onwards including *Augustorum servi*
 - XV *Caesaris servi* (D) - Imperial slaves who are otherwise undated
 - XVI *Augustae servi* - slaves of empresses and relatives of the emperor, in chronological order of owner
- In the headings of Sections XII – XVI the term *servi* is taken to include *vernae* and all other forms of the slave indication.

Within each section individual members are arranged in alphabetical order according to *cognomen*. Those whose *cognomen* is too fragmentary to be known or is missing are included at the end of each section. For each member the epigraphic testimonia precede the literary and other testimonia and are listed in numerical order of reference, beginning with *CIL* and followed by the other epigraphic collections in alphabetical order; the literary testimonia are arranged alphabetically by author and work. Where there is more than one example of a

given *cognomen* in a section, these are numbered (1), (2) etc. in the same order of reference as above, except that dependent freedmen and slaves of *Augusti liberti*, *Caesaris servi* etc. in Category (c) above are placed last in each group. Unless otherwise indicated, references are to *CIL*.
